Dear Ke'aka'okalani Garay:

We received your letter on Friday, October 6, 2006 indicating that the HSRT Board of Directors will be discussing your position on the CARE bill sometime in October at your Board of Directors meeting. Unfortunately, the 30 day deadline for response to the ASRT Board of Directors request for a position of neutrality has passed. Sanctions have already been imposed as were indicated in our letter dated August 21, 2006. The ASRT Board of Directors will review any information that you choose to send us once your Board of Directors meets this month.

Sincerely,

A handwritten signature in black ink that reads "Cathy Parsons". The signature is written in a cursive, flowing style.

Cathy L. Parsons, B.S., R.T. (R)(M)(QM), FASRT
Chairman of the Board
