Dear Madam Chairwoman:

The HSRT board met on December 22, 2005 to discuss the position of the HSRT regarding the CARE bill. Becky Kruse, in a phone call recently, has informed the HSRT that a position of neutral will be sufficient to resolve the conflict with the ASRT. After careful consideration of all parties involved the HSRT board has voted unanimously to take the position of NEUTRAL regarding the CARE bill.

Any personal comments or opinions expressed by any HSRT member does not have the endorsement of the HSRT or its Board of directors.

We hope that this will resolve the matter for both organizations. A response is requested such that this matter can be put behind us.

Sincerely,

Jason H. Mashino, R.T.(R)
President HSRT
